SMEs accessing funding for innovation

December 1 | 2010 | Vienna | Austria

[HOME](#)[AVAILABLE FUNDING](#)[TOPICS](#)[COMPANIES](#)[EVENT DETAILS](#)[CONTACT](#)

Millions of EURO of public funding is available specifically for SMEs to carry out innovative R&D and develop new business opportunities!

But how to enter this competitive area with a strong enough proposal? How to find the best consortium partners and achieve consensus around a good proposal idea?

An unique event around EU project funding lines for SMEs will facilitate partner search, topical focus and the first steps towards developing proposals for SME-specific calls.

Successful Proposal Writing

The first STI International Symposium on

Successful Proposal Submission

Mallorca, Spain | October 7-8, 2010
